

Student Instructions for Accessing the Triangle Debate League Website

1. Go to <https://triangledebate.com> and click the **Register** button on the homepage to bring up the **Registration Form**.
2. Complete the form by creating a Username (we recommend <firstname>_<lastname>), and entering your Email address, First and Last Name, and School. Click **Register** again at the bottom of the form.
3. You will receive an automated email inviting you to create a password for your TDL account and **Login** to the website
4. The first time you login, your **Role** will be listed as a **Subscriber**. In order to access valuable content on the **Student Portal**, you will need to complete the **Role Request Form** at the bottom of the **My TDL Account** page (**MyTDL** menu item from any page).
5. Complete the form by entering your name, email address, and school, and enter "**Student**" in the **Requested Role** field. Hit **Submit Request**.
6. You will be notified by email when your request has been processed. Thereafter, when you login, your **Role** will be listed as **Student**, giving you access to the **Student Portal** (from the **Portals** pull-down menu on any screen).
7. On the **Student Portal**, you will find the legislation (bills) we are currently debating, some lesson plan materials, and an online discussion forum, moderated by coaches and mentors, where you can access and share ideas and research with your peers in other schools.
8. Students are expected to use the forum in a constructive and respectful manner and are cautioned against sharing personal or proprietary information about themselves or others.
